To The Honourable the Legislative Assembly of the Province of British Columbia, in Legislature Assembled:

The petition of the undersigned, residents of British Columbia, states that:

WHEREAS Bill 7 seeks to avoid the Legislative Assembly and allows cabinet to override normal democratic practices and existing laws and regulations, and;

WHEREAS Part 4 of Bill 7 would allow cabinet to amend or repeal nearly any law enacted by the Legislature of British Columbia without any debate or votes in the Legislature;

Your petitioners respectfully request that the Honourable House not proceed with the Economic Stabilization (Tariff Response) Act (Bill 7).
